

Privacy Policy for SMS Text Messaging

Effective Date: December 30, 2024

At **Texas Engineering Services**, we respect your privacy and are committed to protecting your personal information. This Privacy Policy explains how we collect, use, and safeguard information in connection with our SMS text messaging services.

1. Information We Collect

When you opt into our SMS text messaging services, we may collect:

- Your mobile phone number.
 - Details about the messages we send and receive, including the date, time, and content.
 - Any additional information you voluntarily provide through SMS.
-

2. How We Use Your Information

We use the information collected to:

- Send you requested updates, promotions, and notifications.
- Respond to your inquiries or requests.
- Improve our messaging services and customer experience.

We will not sell, share, or rent your mobile number to third parties for marketing purposes.

3. How to Opt Out

You may opt out of receiving SMS text messages at any time by replying with the word **STOP** to any message we send. After opting out, you will receive one final message confirming your request has been processed.

4. Message and Data Rates

Message and data rates may apply to SMS text messages, depending on your mobile carrier and service plan. Please contact your carrier for details about your messaging rates and plans.

5. Data Security

We implement industry-standard security measures to protect your information. However, no system is 100% secure, and we cannot guarantee the security of your data during transmission.

6. Third-Party Services

We may use third-party platforms to deliver SMS text messages. These services are required to comply with applicable privacy and security standards.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with the updated effective date.
